

Bend Me Shape Me-American Breed recorded by The Mad Ants

You are all the woman I need and baby you know it
you can make this beggar a king a clown or a poet
I'll give you all that own you've got me standing in line
I'm out in the cold pay me some mind

bend me shape me any way you want me long as you love me it's all right
bend me shape me any way you want me you've got the power to turn on the light

everybody tells me I'm wrong to want you so badly
but there's a force driving me on I'll follow it gladly
so let them laugh I don't care cause I've got nothing to hide
all that I want is you by my side

bend me shape me any way you want me long as you love me it's all right
bend me shape me any way you want me you've got the power to turn on the light

I'll give you all that own you've got me standing in line
I'm out in the cold pay me some mind

bend me shape me any way you want me long as you love me it's all right
bend me shape me any way you want me you've got the power to turn on the light
bend me shape me any way you want me long as you love me it's all right
bend me shape me any way you want me you've got the power to turn on the light.
