I'm Lost

I'm lost I'm lost
not really sure who I am
I'm lost I'm lost
It's good to know that you could carry on

cause I've got my blood on your hands
and I'm here to make my amends
I've got my blood on your hands
and I'd let you go but I can't

cause I'm lost I'm lost
not really sure who I am
I'm lost I'm lost
you surely know that we both were wrong

cause I've got my blood on your hands
and I'm here to make my amends
I've got my blood on your hands
and I'd let you go but I can't

I'm lost you're lost
It's good to know that you could carry on
I'm lost and you're lost
so help me find my way back home

cause I've got my blood on your hands
and I'm here to make my amends
I've got my blood on your hands
and I'd let you go but I can't

I've got my blood on your hands
and I'm here to make my amends
I've got my blood on your hands
and I'm doing the best that I can
but I'm lost.
