## On My Way

What should I say what should I do  
is this the way to follow through  
all of my hopes all of my dreams  
is this the way it's meant to be  
is this the way to follow through  
is this the way to follow through

I'm on my way  
I'm on my way  
I'm on my way  
I'm on my way

a little bit of me a little bit of them  
this road we walk we'll walk again  
all of my hopes all of my dreams  
is this the way it's meant to be  
is this the way to follow through  
is this the way to follow through

I'm on my way  
I'm on my way  
I'm on my way  
I'm on my way

what could I say what could I do  
is this the way to follow through  
is this the way to follow through  
is this the way to follow through  
I'm on my way  
I'm on my way  
I'm on my way  
I'm on my way.
