

Suspicious Minds-Elvis recorded by The Mad Ants

We're caught in a trap I can't walk out
because I love you too much baby yeah
and why can't you see what your doing to me
when you don't believe a word I say
we can't go on together with suspicious minds
and we can't build our dreams with suspicious minds

so if an old friend I know stops by to say hello
will I still see suspicion in your eyes
here we go again asking where I've been
you can see the tears are real I'm crying
we can't go on together with suspicious minds
and we can't build our dreams with suspicious minds

oh let our love survive I'll dry the tears from your eyes
and let's don't let a good thing die when honey you know I never lied to you
umm-yeah-yeah

We're caught in a trap I can't walk out
because I love you too much baby yeah
and why can't you see what your doing to me
when you don't believe a word I say
we can't go on together with suspicious minds
and we can't build our dreams with suspicious minds

We're caught in a trap I can't walk out
because I love you too much baby yeah
We're caught in a trap I can't walk out
because I love you too much baby yeah
We're caught in a trap I can't walk out
because I love you too much baby yeah.
