## The Liberty Station

Take me down to the liberty station  
the liberty station downtown  
I'm gonna ride me a slow train romance  
a hard on slow dance get along  
and when I get into the heart of the city  
the heart of the city I found

I'm going down to the liberty station  
the liberty station downtown  
I'm gonna buy me a five dollar flower  
I'll wear it on my collar and dance around  
I'm gonna find me a whole lotta rosie  
I'll laze and mosey downtown  
and when I get into the heart of the city  
the heart of the city I found  
I'm going down to the liberty station  
the liberty station downtown

take me down to the liberty station  
the liberty station downtown  
I wanna see me some oh so posies  
some ocey dosies downtown.  
and when I get into the heart of the city  
the heart of the city I found  
I'm going down to the liberty station  
the liberty station down town

take me down to the liberty station  
the liberty station downtown  
I'm gonna ride me a slow train romance  
a hard on slow dance get along  
and when I get into the heart of the city

I'm going down to the liberty station  
the liberty station downtown.
